The POWERplus® Turtle

Solar / USB Powered
TABLE LIGHT
6 LED Moodlight

The POWERplus® Turtle combines functionality and conviviality in 1 model.
This solar and usb powered tablelight comes with 3 different colors of shades, so besides a tablelight this product is also a moodlight.

Change the shade easily to the required color and enjoy a beautiful light thanks to the powerful 6 LEDs.

Charge the Turtle by day or sunlight. After a full day in sun- or daylight, the Turtle will operate for 2 continous hours.
